WIFE IS CONFIDENT

That Robert E. Peary Has

Already Found the

North Pole.

EXPECTED HOME SOON

Then the Daring Explorer

Will Tell How It Was

Accomplished.

By Associated Press.

New York, Oct. 26.—In a Portland,

Me., dispatch to the New York Times,

Mrs. Robert E. Peary, wife of explorer,

is quoted as saying:

"I feel just as sure as I am living

at this moment, that my husband has

found the north pole and that he will

soon be home to tell us all about it."

Mrs. Peary has spent the summer

with her little daughter on Ragle Is-

land, in Case Bay, where the Peary's

home is situated.

With her little daughter Marie, she

came to Portland yesterday. "I do

not expect to hear from him until the

last of November," she continued,

"but I will not be disappointed if I do

not hear from him yet. On the last

dash, Mr. Peary was forced to turn

back when within 250 miles of his

goal. The Roosevelt will be able to

ply 500 miles further northward than

his other ships and this will give him

just so much advantage."

INSURANCE LAWS

FOR K. OF P. ORDER.

By Associated Press.

New Orleans, October, 26.—New In-

surance laws affecting \$9,000 policy

holders were officially adopted today

by the Supreme Lodge, Knights of

Pythias. The features of these laws

are:

A decrease in the maximum policy

from \$3,000 to \$5,000.

An increase in the age limit at

which members can be insured from

50 to 60 years.

The creation of a new fifth class of

insurance. This class involves a com-

plete change from the old fraternal

congress to the American experience

table, with interest at 3 1/2 per cent.

There will be annual accounting;

an annual dividend policy, returning

to the member at the end of each

year all over and above the cost of

carrying the risk and expense of man-

agement. All policies under the new

system become incontestable after

three years.

Privilege is given policy holders in

the fourth class to transfer into the

new fifth class, taking the same

amount without new medical examina-

tion.

The practice of changing semi-

annually the password of the Knights

of Pythias was abolished today by

order of the Supreme Lodge. It was

decided to substitute a permanent

password in place of the semi-annual

word.

It was announced that statutes rela-

crease the number of members from

seven to nine, one of these new mem-

bers to be selected from the Supreme

Lodge and the other to be the out-

going supreme chancellor.

BANK LOOTED

By Small Gang of Bold Bad Robbers.

Odin, Illinois, the Scene of the Most Recent Depredations.

DYNAMITE IS USED.

Explosion Awakened Citizens Who Ran to the Rescue.

Thirty Shots Exchanged But Bandits Escaped With Booty.

By Associated Press.

St. Louis, Oct. 26.—A special to the

Republic from Odin, Ills., says:

The bank of Odin was dynamited

and looted by a gang of safe robbers

early today. The report from the ex-

plosion attracted a crowd of citizens

to the scene and a running fight en-

suied in which more than 30 shots were

fired. The bandits escaped with all

their booty, the amount of which is

not known.

Ed A. Parks, night telephone oper-

ator of the Bell Telephone company,

was the first man on the scene after

the explosion. When he heard the

report he ran from his office toward

the bank. He was

halted on the way

by the lookout of the robbers, who

fired at him. Parks emptied his re-

volver at the robbers and ran back to

his office.

By this time Robert Lockhart, night

station agent of the Baltimore and

Ohio, Arnold Jacobs, a telegraph op-

erator, and half a dozen others arrived

on the scene and opened fire on the

robbers, with the weapons they car-

ried in discharge of their duties.

The robbers fled from the bank by

the back door and ran west along the

Baltimore and Ohio tracks.

Firing as They Ran

and escaped in the darkness.

None of the citizens who engaged

in the battle was hurt. It is not

known whether or not any of the rob-

bers were hurt. The bank of Odin is

a private institution. It is not known

at this hour how much cash was on

hand.

It is stated by those who took part

in the battle that there were four or

five men in the robbers' gang.

IN ANNUAL SESSION

Members of the Possum Eating Clan Assembled Last Night

IN OLD HARROD TOWN.

Members Present From Elida, Delphos, Harrod and This City.

There was an annual gathering of a clan at Harrod last night and while that place is in the extreme eastern end of the county there were members present from points as far west as Delphos. The men journeyed overland in buggies and carriages and after the darkness of night had enshrouded the little village fully a score and ten of the clan rode silently through the streets to the meeting place on a side thoroughfare.

The occasion was the holding of the annual Harrod 'possum roast and but few, if any, of the gathering clan had not gathered at this same festal board in one or more of the years gone by. The 'possums, sweet potatoes and all the usual trimmings were steaming in ovens when the visitors arrived on the scene and there was no time lost by the members of the party in getting to work with knives, forks and fingers that were soon greasy with 'possum fat. The feast was a splendid one and the Harrod brethren were complimented on all sides for the most excellent manner in which the feast had been prepared.

Among those who gathered around the well laden table were the following well known gentlemen of the county:

J. W. Johnson, Dr. Hitchcock, J. D. Ward, O. Francis, Alex. Shenck, Aaron Fisher, J. W. Rowlands, D. W. Higbee, Dr. Huntley, J. H. Leatherman, D. B. Eversole, J. E. Eversole, D. V. Weager, W. H. Lima Audience May See

Who is the Champion
Welterweight,

SO SAYS MR. BARTON,

Who Declares That Swanson
Will be in Very
Fine Condition

Unless He Meets With Some
Accident in the Bow-
man Match.

W. H. Barton, manager of Alex. Swanson, the champion welterweight wrestler, writing from Terre Haute, Ind., says:

"We will leave here for Lima, O., on next Sunday, October 28, and barring an accident on the 27th, Alex. Swanson will be in fine shape to put up the fight of his life against Al Ackerman. The people of Lima will have the opportunity to see who is the welterweight champion of the world when the referee slaps the winner on the back Tuesday night. On the night of the 27th we wrestle Wm. Bowman, the crack 165 pound man from Chicago, and hope to defeat him. Billy Edwards, of Knoxville, Tenn., has been secured to put the finishing touches on Swanson's training and if good condition will be all that Swanson needs to insure a victory he will retain the championship title."

The National Police Gazette, of October 13, published the following concerning Swanson:

"Alex. Swanson started his wrestling career in 1898, and is today considered the best wrestler at the welterweight limit in this country."

"He has defeated Leo Pardello, Prof. Atlas and many other heavyweights in handicap matches, and in straight matches has won from Ebenhart Helm, Max Luttbeg, Ed O'Connell, Instructor in Yale College, twice, the first contest took place in Nantucket, Conn., Swanson won two straight falls in 53 minutes, the second match was held in Waterbury, Conn., April 8, 1906, Swanson agreed to throw O'Connell twice in one hour. He took the first fall in 31 minutes and the second in 9 minutes. Swanson defeated Harvey Parker for the welterweight championship of the world at the New Polo A. C., New York, Dec. 12, 1904. He won from Max Wiley at Toledo, Ohio, May 30, 1906, two falls in 10 minutes."

"Swanson also wrestled lightweight champion George Bothner, and after being on the mat 1 hour and 34 minutes Bothner's shoulder was dislocated and he was compelled to surrender. Swanson being unable to weigh at the lightweight limit, the championship was not involved. Swanson is now located at Terre Haute, Ind., and since there has defeated Ed Steinmetz and Charles Turner, both having many admirers in the west. His next important match will be with Al Ackerman for the welterweight championship of the world."

BIG GAME WITH PIQUA

Is Scheduled for Next Friday on the Local Gridiron.

The boys of Lima High school, forming the crack football eleven of that institution, accompanied by Coach Hauck, left this morning for Kenton, where they will meet that team this afternoon in the second game of the season. The locals expect to redeem themselves for the awful trouncing received at Findlay when everybody lost heart after a first touch-down was made in a few seconds.

The attendance at games locally this year has been very meagre and a big effort will be made to rally the lovers of the buck and punt for next Friday afternoon, when the Piqua boys, the strongest team in this section, will be here for a return game on the college grounds. Lima College and Lima high postponed their game set for Wednesday afternoon of this week because of the inclemency of the weather, and this game will be a feature later in the season.

MCCARTNEY CALLED To Take Management of Oakley Track.

The following from the Enquirer shows in what high regard John McCartney, the well known horseman, is held by horsemen in the Queen City:

"Glen Brown yesterday announced that John B. Ryland, manager of the Hocking Hotel, Harry Verhage, Cincinnati Ginger Ale and Soda Water company, and Robert Bousner, wholesale carpet merchant, had become interested in the Oakley Park proposition and would assist in financing the project, providing John McCartney, of Dayton, Ohio, who is the assistant editor of the Horse Review, undertook the management of the track. McCartney was in the city yesterday and had a conference with the four mentioned gentlemen. He said a proposition would undoubtedly meet with acceptance. Brown stated that, with the amounts to be subscribed by Messrs. Ryland, Verhage and Bousner, the Oakley Park company is an assured success. An open meeting of the interested parties will take place next Tuesday evening at Schuler's cafe."

Every Sunday to Columbus and return \$1.25 from Wapakoneta, via T. & O. C. Leave Lima at 6:30 a. m. on Western Ohio.

Reception after the address
open to the visiting teachers
and the teachers of the Lima
public schools by the faculty of
Lima College

Teachers from all over Northwest
Ohio are now guests of the city
and are being entertained by
the able corps of the Lima schools
as one gracious reception com-
mittee.

The welders of the birch began ar-
ranging on life trains yesterday after-
noon and an entire corps from surround-
ing towns came in clattered by the
engineers and principals. Many
these are being entertained in private
homes, while others are quartered
at hotels of this city.

As it is, however, will be the great
point of attendance and in point
of any meeting ever held by the
Northwestern Ohio Teachers Asso-
ciation. The speakers down for ad-
dresses are able educators of this state
and their talks mean im-
mense things in the various schools.
They are giving ideas which they
did not absorb in years of continu-
ous work in the school room.

Prof. Davidson, superintendent of
the schools is showing great inter-
est in the meeting and his devoted
time and labor towards making

SUPT. JOHN DAVISON,
In Charge of all Arrangements.

Gathering a success, not only in
past few days and at the present
time the fruition of his hopes is assur-
ed but for many weeks in the past
when he has made possible the perfect
arrangements which are now in evi-
dence for the reception and entertain-
ment of the half thousand visitors.
This morning was devoted by the
city of town teachers to visiting the
various school rooms all over the city
and in talks with many of the visitors.
Press received congratulations on
high character and excellent man-
agement and discipline which exists
in Lima's public schools. All
visitors seemed highly pleased at the
methods employed here, and pro-
moted them among the most ad-
vanced in the central west.

The opening session of the associa-
tion was called to order this afternoon
in the Auditorium at 1:30 o'clock. The
evening session joined in singing
America with Miss Harrison super-
intendent of music in the Lima schools
conductor.

OVER A THOUSAND

Will Be Here Is the Prediction of Supt.
Davison.

The High school building was a
scene of activity this morning and
over three hundred teachers visited the
various rooms in that structure as
well as taking time to drive over the
city to other buildings.

Supt. Davison, when asked for an
estimate as to the attendance stated
at noon today: "There are now over
six hundred teachers here and I
think the attendance will be more than
one thousand by evening, as arrivals
are coming in on all trains. Yes it is
the largest gathering ever held of the
kind in the Northwest."

The roster roll of visitors up to the
dinner hour is obtainable at the High
school building is given below, while
fully as many more teachers register
at the East building today.

New York, Oct. 26.—In the Tombs police court yesterday a cook who was Miss Augusta Brunning before she admitted marrying four men, appeared before Magistrate Stienert, charged with bigamy, and was held in \$500 bail for the grand jury after waiving examining. After Supper Sale

NO. 2.

We were quite sure that there would be no lack of buyers at the first After Supper Sale—the crowd came—it saw and was convinced, it needed no microscope to discover the remarkable values. The merchandise was here, exactly as we advertised it—the prices—well, we only know that action began when the town clock struck 7 and continued unabated until closing time.

You can bring a crowd with an offering of big values, but you won't do business unless the prices match the advertisement. We did business.

We have prepared for the second After Supper Sale with another great budget of bargains. We will see a large percentage of the people who came to the first—and a host of their friends, because there has been much talk of the plums that were picked at the first sale. So you had better come too—another crop is ready for those who like to buy goods at retail, at less than most store pay wholesale.

SALE BEGINS AT 7 O'CLOCK.

INFANTS' COATS.

A manufacturer's sample line of infants' Eider-down Coats bought at 60 cents on the dollar, divided into two lots.

AN OCTOBER BRIDE AFTER-EFFECTS OF THE GRIP

Whose Parents for Many Years Were Residents of Lima.

A SOCIAL FAVORITE

Among the Young People of This City Where They Often Visited.

The Fort Wayne Journal-Gazette of Thursday contains the following account of the Blair-Hattersley nuptials. The bride is the grand-daughter of Mr. and Mrs. T. T. Mitchell, of Lima, and the daughter of Mr. and Mrs. S. K. Blair, former residents of this city, but who have made their home in Fort Wayne for a number of years:

"Exotically lovely was the Wayne street home of Mr. and Mrs. S. K. Blair last evening, in its scheme of decoration and lighting in honor of the marriage of Miss Mayme, only daughter of Mr. and Mrs. Blair, to Mr. Harry A. Hattersley, son of Mr. and Mrs. Byron Hattersley. The various rooms down stairs, except the library in which the marriage was solemnized, were veritable gardens of American beauty roses, palms and ferns, intertwined with hundreds of tiny electric lights. The mantels were banked solidly with roses and ferns and lights. In the drawing room was a vine fresco of electric lights and asparagus fern. The library was exquisitely done in bride's roses and ferns. The mantel was banked from ceiling to floor with the roses and ferns, and all the hangings in the room were of the fern shade of green. The bow window in which the bride and groom stood was transformed into a fairland of roses and palms and ferns. Suspended from the ceiling by wide white satin ribbon was a great white wedding bell made of roses and their foliage, with garlands of asparagus fern stretched to the corners of the windows.

"The rooms upstairs were elaborately done in chrysanthemums, the shades varying to harmonize with the various color schemes of the rooms. Immediately preceding the entrance of the bridal party, Mrs. Oliver Reese, of New Castle, Pa., sister of the groom, beautifully sang with violin obligato, "It is Wonderful," by Franz Listz. Upon the hour of 7:30 Rebeck's orchestra played the opening strains of "Lohengrin." Miss Gertrude, Greening, as honor maid, came slowly down the stairway, which was artistically decorated with asparagus fern, and passed through the aisle formed by white satin ribbons, through the drawing rooms into the library where awaited the groom and his groomsmen, Mr. Carl Woodworth. The bride, upon the arm of her father, followed, bearing herself with a sweet and womanly grace. She was met by the groom, and as they stepped under the wedding bell it was transformed as by a fairy wand into a glow of tiny lights, interweaving the roses and ferns. The service was beautifully read by the Rev. Henry B. Master, pastor of the First Presbyterian church. During the ceremony the orchestra softly played Wagner's "Evening Star," and bursting melodiously into the Mendelssohn wedding march at the close of the service.

The bride, always attractive in appearance, was unusually lovely in her handsome wedding gown of ivory white satin, made princess front, and empire back, with a court train falling from the shoulders, blending in long, graceful lines with the diaphanous bridal veil, which was beautifully appliqued with lace and fastened to her hair with a dainty wreath of tiny rosebuds. Her gown was simply but richly trimmed with duchesse lace medallions and pearls, a wide panel of satin heavily trimmed with lace, forming the front of the skirt. Her jewels were an exquisite brooch of Baroque pearls and diamonds, the gift of the groom. She carried a shower of orchids and bride's roses tied with bows and long ends of gauze ribbon. Miss Greening was charmingly gowned in a Parisian gown, of pompadour silk of pink rose pattern, made princess and elaborately trimmed with Maltese lace. She wore a pearl bar, the gift of the bride, and carried a large bouquet of white chrysanthemums, tied with tulle. Mrs. Blair was very handsome in a white silk crepe and duchesse lace gown, elaborately hand-embroidered. Her flowers were American beauties and violets. Mrs. Hattersley, mother of the groom, was tastefully gowned in violet silk crepe with Honiton lace trimmings.

"After congratulations had been tendered and received, the wedding supper was served under the supervision of Mrs. Shoemaker, to about one hundred and fifty guests. The dining room was a bower of American beauty roses, palms, ferns and tiny electric lights. A dream of loveliness was the bride's table in its exquisite napery and arrangement of flowers and lights. In the center was a huge basket of

Cause Decline That May Be Fatal.

DR. WILLIAMS' PINK PILLS MEET THIS CONDITION.

They Build Up the System, Restore Lost Flesh and Bring Good Health.

"About three years ago," says Mrs. Jennie Cowan, of 718 N. Henry street, West Bay City, Mich., "I caught a severe cold, which ran into the grip. I was confined to my bed for two weeks. At the end of that time I was able to be about, but was completely run down. I was so weak I could hardly stand, my cheeks had no color and I felt faint. My heart would flutter and it was difficult for me to breathe at times. Neuralgia settled in the back of my head and stomach and I suffered from rheumatism in my shoulders.

"I had the care of the best doctor in town but became no better until a friend told me one day how she had been cured by Dr. Williams' Pink Pills and I decided to try them. I soon felt better and continued using them until I was entirely cured. They built me up again to perfect health and I use them now and whenever I feel at all sick and they always help me."

The after-effects of the grip are generally worse than the disease itself. The health of the body is badly shattered and oftentimes there seems to be no way to restore it. The blood is poor, the breathing difficult and there is loss of weight. The sufferer becomes nervous and irritable and the system is powerless to resist the attacks of such diseases as bronchitis, pneumonia and consumption.

Dr. Williams' Pink Pills are invaluable in this condition, as well as in other blood diseases, because by acting directly through the blood, purifying and enriching it, they not only drive off the germs of the disease but build up the system. The pills have cured anaemia, rheumatism, after-effects of fevers, neuralgia and many other severe disorders of the blood and nerves.

Dr. Williams' Pink Pills are sold by druggists, or will be sent by mail, post-paid, on receipt of price, 50 cents per box; six boxes \$2.50, by the Dr. Williams Medicine company, Schenectady, N. Y.

American beauties, seemingly growing out of the basket in riotous profusion, and wonderfully interwoven with tiny electric lights. From the chandelier, which was elaborately decorated in roses and asparagus fern, were long garlands of American beauties and ferns, draped from the chandelier to the four corners of the table, and up to the basket in the center. Wide satin ribbons of American beauty shade were drawn from the opening across the table, ending in four large bows at the corners.

"Late in the evening, Mr. and Mrs. Hattersley left for the East, where they will visit several of the eastern cities. Mrs. Hattersley's going-away gown was a stunning dark blue cloth, with mink furs, and a blue hat trimmed with blue plumes.

"The out-of-town guests were Mr. J. S. Blair, of Bellefontaine, O., grandfather of the bride; Mr. and Mrs. Oliver Reese, of New Castle, Pa.; Mr. and Mrs. Newton Doughman, Mr. W. S. Blair, Mr. and Mrs. A. W. Johnson and Mr. and Mrs. H. Hammerley, of Cleveland; Mr. and Mrs. L. L. Lockwood, Mr. and Mrs. J. Y. Calahan and Mr. Paul Williams, of Chicago; Mr. and Mrs. T. T. Mitchell, Mr. and Mrs. E. T. Mitchell, Mr. Thorne Mitchell, Mrs. E. M. Decker, Mr. Rex Baxter, Mrs. J. A. Hesse, and Mrs. F. M. Baxter, of Lima, O.

THE STAGE.

The Edward A. Braden Co., which is the richest theatrical firm in the United States, will make their first production in this city when the big extravaganza success of last season, "The Gingerbread Man" is presented here at the Fauror opera house on tomorrow night.

With the "Gingerbread Man" its maiden effort, the Edward A. Braden company is determined to establish a high standard which may set the pace for future productions. With this end in view, the firm has put forth a production without regard to economical laws and sent on tour the most expensive company of players that left New York this season.

A feature of Lyman H. Howe's Moving Pictures, which will be shown in Fauror opera house on Sunday night is that every picture is vivid with life, and authentic. Each picture, too, is accompanied by admirable and ingenious sounds in unison with every action of the scene. The program is a studious blending of the humorous with the pathetic, the educational with the amusing; and all with a rapidity and precision that creates its own demand for regular return visits.

So many public men belong to some body.

Clothes for Gentlemen

The greatest business in Gentlemen's Clothing in the city of Lima has risen here on the foundation of public satisfaction, together with the largest assortments and the most reasonable prices.

The first impression created by the general appearance of our clothing for men is a favorable one, and it gains strength in the mind of the wearer as time moves on. It is practically impossible to produce better Suits, Top Coats or Raincoats—better materials are not woven—better styles are not designed—better tailoring has not been produced and a more perfect fit is impossible.
